

The 2022 Closets Conference & Expo is almost upon us! ESI will be in attendance and we'd love to see you there. This event will showcase all of the latest products, trends and techniques the industry has to offer. This is the national event for closet, garage and organized storage professionals. Last year's event held in Palm Beach brought in over 1,000 attendees from over 40 states and neighboring countries. Register to attend [here](#) and download the [app](#) to learn more about the expo and find us at Booth 316. Come and get some swag from us!

Multiplex Edgebanding

**.5mm real wood veneer
Raw Birch Multiplex**

**2mm 3D Acrylic Multiplex
Edgebanding**

Part of what we do here at ESI is help you identify the material you need and then get it to you. Many people recognize multiplex but cannot identify the name of the material. The layered style can be hard to describe without a name to reference. We are here to help with the info, pictures and material you need.

ESI stocks multiplex edgebanding in a variety of sizes and materials including:

Both raw and pre-finished real wood veneer.

1mm and 2mm 3D acrylic edgebanding.

Thick and Thin PVC.

Paintable Edgebanding

Painted cabinets are back in style and no one wants to see the edge of a board showing through their paint job. ESI has Paintable Edgebanding in stock and ready to ship to fix this issue with ease before it even becomes an issue. Our Paint Grade Edgebanding products include PVC, CVR and FiberEdge Melamine materials. Order [samples](#) from us today to see which one will work best for you.

Parkinson's Awareness

April is Parkinson's Awareness Month and for every order placed with ESI during this time we will make a donation to the Michael J Fox Parkinson's research Foundation. When we raise awareness about Parkinson's, we help make lives better for people with PD by doing more together to improve care and advance research toward a cure.

Click to donate.
